**AN OPEN LETTER TO THE MEMBERS OF THE GENERAL  
ALUMNI ASSOCIATION FROM THE PRESIDENT  
OF THE COLLEGE**

•

State Teachers College  
Mansfield, Pennsylvania  
February 1, 1941

DEAR ALUMNUS:

Seven years have passed since the College last published a directory of its alumni. The result is, of course, that our lists are sadly out-of-date—a condition which is very difficult to correct quickly or completely. However, the College recognizes the need for live, accurate lists and, accordingly, submits this directory as its first effort to improve the existing situation.

The directory has been prepared largely by committees from the Association, assisted by the officers and individual alumni, members of the faculty, and students. Data obtained by these committees have been supplemented by information secured from cards sent to the last-known addresses of alumni about whom there may have been some question. In this work, the many persons involved have earned our heartiest thanks for unflagging interest and unremitting effort.

It is not to be expected that this publication will be free from error. On the contrary, many errors doubtless will appear. It is, rather, to be considered as a gesture toward bringing the alumni lists up to date, to which task the College is definitely committed.

If you discover some error or errors, you are urged to notify immediately the secretary of the Association, Mrs. Julia Goodspeed McMurry, Mansfield. Machinery has been established and charged with the duty of keeping all alumni records as nearly up-to-date as their nature permits; but, obviously, such machinery can function efficiently only with the close cooperation of the alumni themselves in keeping the College and the Association informed concerning changes in address, marital status, and the like.

This letter, then, is intended as an urgent appeal to you personally to be responsible for your part in keeping our records correct.

With cordial regard and deep appreciation, I am

Sincerely yours,

LESTER K. ADE

President.
